Please write your child's name on their clothing, shoes, socks, jacket, bag etc.

Please DO NOT let your child bring their toys or sweets to school.

If you feel your child needs to bring a mobile phone to school, it must be handed to the office for safekeeping in the morning and picked up at the end of school. If a mobile phone is taken off a child during school hours, it will be kept at the office until an adult can pick it up.

**Stationery :** Stationery packs are available from our office

**Uniform :** This is ordered on line from our manufacturers - we have samples for you to try on your child for sizing.

**Sick Children :** Please phone and leave a message on the absence line. Send a note to the teacher on their first day back. Please don't send your child to school if they are sick. Keep them at home until they are well again.

**Medication :** If your child requires medication to be held at school for Asthma, please see Carolyn or Michelle in the office. There is a special place for medication so the child can have access to it when required.

**Mobile phones :** If you feel it is necessary for your child to have a cell phone at school, it needs to be handed in at the office on arrival at school and retrieved after the 3.00pm bell. If a pupil is found to have a phone on them during school it will be held at the office for an adult to collect.

**Before/After School Care :** We have a SKIDS programme at our school which runs from 7.00am to 8.30am and 3.00pm to 6.00pm. Parent handbooks with all the information needed are available from the office.

**Bicycles to School :** This is always of great concern to us here. We would prefer that no pupils rode to school but understand we cannot enforce this. The law is broken when a bike is ridden on footpaths, so that is not an option. If your child is 10 years or older and it is absolutely essential that they ride to school, they need to be helmeted, have a safety checked bicycle with an accompanying bicycle locking device and know the Road Rules. We have our Traffic Inspector calling into the school in a few weeks and he will check that bicycle children know Road Rules. If your child is a rider, please let us know in writing, covering the following points,.

- Child's name
- The bike has been safety checked and he/she has been taught the road rules.
- His/her family takes responsibility for his/her safety as he/she rides to and from school.
- You have provided a safety locking device
