INITIATIVES
WHAT we are
going to do to
achieve our
goals

Notice the learning, recognise the curriculum and respond in our teaching.

Strengthen community partnerships to enrich teaching and learning.

Review our developed culture of teaching and learning.

Grow engaged learners.

Develop and implement a strong peer mentoring programme.

Grow leadership skills for all.

Be a responsive community service provider.

Establish our community hub.

Develop projects to positively affect our wider community.

When we have achieved our vision our school will:

Possess an exceptional school culture that is unique to us, led and guided by an exceptional staff, supported by exceptional systems, leading to exceptional student centred teaching and learning outcomes for our exceptional DBS tamariki.
