Whānaungatanga is at the heart of
our school.

We want every child to feel valued,
connected and a true sense of belonging.
We build positive partnerships with whānau.

We guide our tamariki to discover
their **EXCEPTIONAL**.

We provide an exceptional learning
environment where every child is supported
to grow, learn and thrive.

We notice what makes each child unique.

Through play, exploration and hands-on

We see their strengths and help them shine!
